SUMMER ART PARTY 2023

Dear Community Partner,

The Newport Art Museum's Summer Art Party on Friday, July 14, 6pm-11pm will celebrate the Museum's over one-hundred year history and officially open our summer exhibitions. Our fundraiser is the opportunity to honor the fabulously talented artists, Bob Dilworth and Ana Flores, who both challenge perceptions around critical topics of our time.

The Summer Art Party's Event Committee hopes you'll consider supporting this festive event by becoming a Sponsor. All proceeds from the evening will support the Museum's efforts to provide space to spark reflection, curiosity, and discovery:

Your support will go toward:

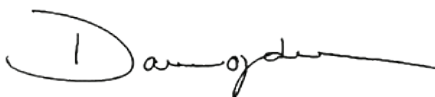

- **Scholarships** for students ages 3-16 to participate in art classes throughout the year
- **Art Education** for over 700 students annually, including our therapeutic arts program for children and adolescents with psychiatric and behavioral challenges
- **Community** programming for under-served populations and free family engagement events throughout the year

In our commitment to bring increased visibility and exposure to all our community, participating sponsors, depending on level of giving, will enjoy the following benefits:

- Acknowledgement of your sponsorship on NAM's website, social media, and email announcement to over 9,000 subscribers
- Named on the tribute slide in the event slideshow
- Recognition in The Summer Art Party's program

In the enclosed document, you will find more details on advertising, business, and individual sponsorship levels and benefits. **To be featured in the Summer Art Party's Program, please submit the attached form, no later than May 15, 2023.**

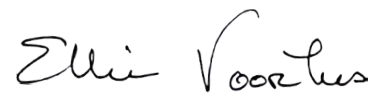

We look forward to welcoming you as one of our valued community partners. Thank you for your consideration. Your support of the arts continues to play a vibrant part for all our community.
