

### Dear Community Partner,

The Newport Art Museum's Summer Art Party on Friday, July 14, 6pm-11pm will celebrate the Museum's over one-hundred year history and officially open our summer exhibitions. Our fundraiser is the opportunity to honor the fabulously talented artists, Bob Dilworth and Ana Flores, who both challenge perceptions around critical topics of our time.

The Summer Art Party's Event Committee hopes you'll consider supporting this festive event by becoming a Sponsor. All proceeds from the evening will support the Museum's efforts to provide space to spark reflection, curiosity, and discovery:

Your support will go toward:

- Scholarships for students ages 3-16 to participate in art classes throughout the year
- **Art Education** for over 700 students annually, including our therapeutic arts program for children and adolescents with psychiatric and behavioral challenges
- **Community** programming for under-served populations and free family engagement events throughout the year

In the enclosed document, you will find more details on individual sponsorship levels and benefits. **To be** featured in the Summer Art Party's Program, please submit the attached form, no later than May 15, 2023.

With the utmost gratitude and appreciation of your support,

Danielle Ogden
